Evolution Portal Partner

Dear Partner,

Evolution Digital appreciates our ongoing and long-term partnership in deploying TiVo and eBOX hardware to your customers. We have worked very hard to keep our portal platform updated, operationally sound and costs as low as possible. Recently we had a renegotiation of our TiVo agreement. As you are aware, we have not implemented a portal rate adjustment for several years. Unfortunately, due to the new rates being implemented by TiVo we will need to implement a pass-through rate adjustment effective February 1, 2021. The new rates follow:

Monthly service fee for DVR activated units: \$3.55
Monthly service fee for non DVR activated units: \$2.45

Please let me know if you have any questions at aadams@evolutiondigital.com.

Sincerely,

A handwritten signature in blue ink that reads 'Alan Adams'.
